Forecast For East of England
Issued by Met Office Exeter
at 0400 on Thursday 14 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Bright with sunny spells. Breezy on coasts.

Today:
A dry and bright day on Thursday, with bright or sunny spells and variable amounts of cloud through the morning. Further spells of sunshine in the afternoon, but turning breezy across parts of Norfolk. Maximum temperature 16 deg C (61 deg F).

Tonight:
Dry at first, but increasingly cloudy across parts of the north, and often breezy. Thickening cloud and patchy rain then spreading to affect most of the region by dawn. Minimum temperature 9 deg C (48 deg F).

Friday:
Early rain easing, with the thicker cloud clearing from most parts by midday. A drier and brighter afternoon, with sunny spells, but feeling a little cooler. Maximum temperature 14 deg C (57 deg F).

Outlook for Saturday to Monday:
Generally dry after a chilly start Saturday. Another mainly dry day Sunday, but increasingly cloudy from the west. Turning windy on Monday, with outbreaks of occasionally heavy rain. Feeling milder.
